"I'd be honoured to be part of your special day"

I am organized, focused, and would work with you to make 'the happiest day of your life' special, personal, relaxed and fun. I would work with you to get what you want from your special day.

"Kirsty thank you so much for your help in organising and being a part of our special day. We really didn't know where to start but from our first meeting we knew we had made a great choice as you made us feel nothing but relaxed and excited. Thank you for taking the time to really get to know us as a couple, our ceremony ended up being exactly what we imagined, very relaxed, personal and a great reflection of our relationship which made it so enjoyable for all involved. We've received many compliments and we couldn't have done it without you. Thanks again, Jessica and Jesse xx"

I am available to travel for weddings in the Otago and Central Otago Region.
